Vendor Day is a mini-trade show, providing opportunity for vendors of predictive maintenance instrumentation and services to meet with many qualified end users. Vendor Day has the added feature of a mini-conference. Multiple sessions are scheduled with technical discussions being presented throughout the day. Presentations focus on a variety of topics but most are presentations by exhibiting vendors allowing them the opportunity to demonstrate their technology and products. Vendor rental fees are \$250 per table (Tabletop displays only, please). If more than one booth attendee is needed, a \$50 per person fee is required to cover meals and snacks.

Registration fees for end users at the Vendor Day event are FREE!!! Lunch will be provided.

Please visit us online at www.aipdm.org to register today!
